USER ACCEPTANCE TESTING (UAT) FORM

AI Agent for Automated Teaching Material Generation from Multi-Source Content

FYP Research Ethical Application

Student: Tan Chi Hong | ID: 2205466
Supervisor: Asst. Prof. Dr. Fatimah Audah binti Md. Zaki

SECTION A: PARTICIPANT INFORMATION

Participant Name	Wilson Choong Xian Hui
Teaching Role	Lecturer
Education Level Taught	College
Years of Teaching Experience	2
Date of Evaluation	5/9/2026

Teaching Role (please tick):

☑ Lecturer	☐ Tutor	☐ School Teacher	☐ Teaching Assistant

Education Level Taught (please tick all that apply):

☐ Primary	☐ Secondary	☑ Tertiary / University

SECTION B: INFORMED CONSENT

Purpose of This Evaluation

You are invited to evaluate a AI system that automatically generates structured teaching materials including lecture slides, summary notes, multiple choice questions and a glossary of key terms from a topic entered by the user. The system adapts its output to three education levels: primary, secondary and tertiary.

This evaluation is conducted as part of a final year project at Universiti Tunku Abdul Rahman (UTAR) for research purposes only. Your participation is entirely voluntary and you may withdraw at any time without any consequence.

Confidentiality

All responses collected in this form are strictly confidential. No personally identifiable information will be disclosed in any published report or academic submission. Data will be aggregated and used solely for academic analysis.

Consent Declaration

By completing and signing this form, you confirm that you have read and understood the above information that you voluntarily agree to participate in this evaluation, and that you consent to your anonymised responses being used for academic research purposes.

SECTION C: SYSTEM FUNCTIONALITY VERIFICATION

Instructions: Please use the system and tick Yes or No for each function listed below.

Functionality Check	Yes	No
C1. I was able to successfully create an account and log in to the system.	☑ Yes	☐ No
C2. I was able to enter a topic and select an education level without difficulty.	☑ Yes	☐ No
C3. The system generated Summary Notes for my chosen topic.	☑ Yes	☐ No
C4. The system generated Lecture Slides for my chosen topic.	☑ Yes	☐ No
C5. The system generated Multiple Choice Questions (Quiz) for my chosen topic.	☑ Yes	☐ No
C6. The system generated Glossary Terms for my chosen topic.	☑ Yes	☐ No
C7. The generated output was displayed clearly on the screen.	☑ Yes	☐ No
C8. I was able to download the generated material as a PDF file.	☑ Yes	☐ No
C9. I was able to download the generated slides as a PowerPoint file.	☑ Yes	☐ No
C10. I was able to view my previous generations in the History section.	☑ Yes	☐ No
C11. The History section correctly displayed my past generated materials.	☑ Yes	☐ No
C12. I was able to upload a reference PDF and the system used it to generate content.	☑ Yes	☐ No

Please describe any functionality that did NOT work as expected:

SECTION D: OUTPUT QUALITY EVALUATION

Instructions: Rate each statement from 1 (Strongly Disagree) to 5 (Strongly Agree). Tick N/A if you did not test that output type.

D1. Summary Notes

Evaluation Criteria	Strongly Disagree (1)	Disagree (2)	Neutral (3)	Agree (4)	Strongly Agree (5)	N/A
The summary notes were well-structured with clear headings and bullet points.	☐	☐	☐	☐	☑	☐
The content of the summary notes was factually accurate.	☐	☐	☐	☐	☑	☐

The summary notes covered the key concepts of the topic adequately.	☐	☐	☐	☐	☑	☐
The vocabulary and complexity were appropriate for the selected education level.	☐	☐	☐	☐	☑	☐
The summary notes would be useful for classroom teaching without major editing.	☐	☐	☐	☑	☐	☐

D2. Lecture Slides

Evaluation Criteria	Strongly Disagree (1)	Disagree (2)	Neutral (3)	Agree (4)	Strongly Agree (5)	N/A
The lecture slides were well-organized with clear titles and bullet points.	☐	☐	☐	☐	☑	☐
The content of the lecture slides was factually accurate.	☐	☐	☐	☐	☑	☐
The slides followed a logical progression from introduction to conclusion.	☐	☐	☐	☐	☑	☐
The vocabulary and complexity were appropriate for the selected education level.	☐	☐	☑	☐	☐	☐
The lecture slides would be suitable for direct classroom presentation.	☐	☐	☑	☐	☐	☐

D3. Multiple Choice Questions (Quiz)

Evaluation Criteria	Strongly Disagree (1)	Disagree (2)	Neutral (3)	Agree (4)	Strongly Agree (5)	N/A
The quiz questions were clear and unambiguous.	☐	☐	☐	☐	☑	☐
The correct answers provided were accurate.	☐	☐	☐	☐	☑	☐
The quiz questions tested genuine understanding of the topic.	☐	☐	☐	☐	☑	☐
The difficulty of questions was appropriate for the selected education level.	☐	☐	☐	☐	☑	☐
The explanations provided for each answer were helpful and informative.	☐	☐	☐	☐	☑	☐

D4. Glossary Terms

Evaluation Criteria	Strongly Disagree (1)	Disagree (2)	Neutral (3)	Agree (4)	Strongly Agree (5)	N/A
The glossary terms were relevant and important to the topic.	☐	☐	☐	☐	☑	☐
The definitions of the terms were accurate and easy to understand.	☐	☐	☐	☐	☑	☐

The examples provided alongside definitions were helpful and relevant.	☐	☐	☐	☐	☑	☐
The number of terms generated was sufficient for teaching purposes.	☐	☐	☐	☐	☑	☐
The glossary would be a useful handout for students.	☐	☐	☐	☐	☑	☐

SECTION E: EDUCATION LEVEL ADAPTATION

Instructions: If you tested the system using more than one education level, rate the following statements.

Evaluation Criteria	Strongly Disagree (1)	Disagree (2)	Neutral (3)	Agree (4)	Strongly Agree (5)	N/A
E1. The Primary level output used simple vocabulary suitable for young learners.	☐	☐	☐	☑	☐	☐
E2. The Secondary level output was appropriate in complexity for secondary school students.	☐	☐	☐	☑	☐	☐
E3. The Tertiary level output used academic language suitable for university students.	☐	☐	☐	☑	☐	☐
E4. There was a clear and noticeable difference in complexity between education levels.	☐	☐	☐	☑	☐	☐
E5. The system adapted the content depth appropriately across education levels.	☐	☐	☐	☑	☐	☐

SECTION F: USABILITY AND TECHNOLOGY ACCEPTANCE (TAM)

Instructions: Rate each statement from 1 (Strongly Disagree) to 5 (Strongly Agree).

F1. Perceived Ease of Use

Evaluation Criteria	Strongly Disagree (1)	Disagree (2)	Neutral (3)	Agree (4)	Strongly Agree (5)	N/A
The system interface was clean, intuitive and easy to navigate.	☐	☐	☐	☐	☑	☐
I was able to generate materials without needing technical knowledge.	☐	☐	☐	☐	☑	☐
The steps required to generate materials were straightforward and logical.	☐	☐	☐	☐	☑	☐
The system responded quickly enough to not disrupt my workflow.	☐	☐	☐	☐	☑	☐
I would be able to use this system independently without assistance.	☐	☐	☐	☑	☐	☐

F2. Perceived Usefulness

Evaluation Criteria	Strongly Disagree (1)	Disagree (2)	Neutral (3)	Agree (4)	Strongly Agree (5)	N/A
Using this system would save me significant time in preparing teaching materials.	☐	☐	☐	☑	☐	☐
The generated materials are of sufficient quality to use directly in teaching.	☐	☐	☐	☑	☐	☐
This system addresses a real and significant problem I face as an educator.	☐	☐	☐	☑	☐	☐
This system would reduce my workload compared to preparing materials manually.	☐	☐	☐	☑	☐	☐
The ability to generate four different material types from one topic is valuable.	☐	☐	☐	☐	☑	☐

F3. Behavioural Intention to Use

Evaluation Criteria	Strongly Disagree (1)	Disagree (2)	Neutral (3)	Agree (4)	Strongly Agree (5)	N/A
I would use this system regularly to prepare teaching materials.	☐	☐	☐	☑	☐	☐
I would recommend this system to other educators.	☐	☐	☐	☑	☐	☐
I would use this system if it were freely available.	☐	☐	☐	☑	☐	☐
I would trust the generated materials enough to use them in my classes.	☐	☐	☐	☑	☐	☐
Overall, I am satisfied with the performance of this system.	☐	☐	☐	☑	☐	☐

SECTION G: OVERALL RATING

H1. Please give an overall rating for the system:

☐ 1 — Very Poor	☐ 2 — Poor	☐ 3 — Acceptable	☑ 4 — Good	☐ 5 — Excellent

H2. Would you recommend this system to other educators?

☑ Yes, definitely	☐ Maybe, with improvements	☐ No
